EDUCATION

B.S. Industrial Design

Arizona State University
2016 - 2021

3.7 GPA. Product design, development. Focus on CAD rendering, animation and prototyping

B.A. Ceramic Art

Arizona State University
2016 - 2021

3.9 GPA. All things ceramic: mold making, glazes and firing processes. Included a month long study abroad program in Jingdezhen, China.

ACHIEVEMENTS

Interdisciplinary Cluster Competition

Awarded 2020

Second place winner, out of over 50 teams, of a 10 day design competition focused on teams comprised of different disciplines across ASU campus

Milestone Industrial Design Portfolio

Awarded 2017

A highly competitive 30 page design portfolio used to determine admittance to ASU's Industrial Design program. Primarily focused on the art of drawing and model making and its implications on design

RELEVANT EXPERIENCE

Sole Proprietor

Janelle Kinsey
2020 - Current

Full time ceramic and multimedia artist, vendor, photographer, marketer, order fulfilment and entrepreneur running my own art-based business.

Design Intern

Frank Lloyd Wright Foundation
Summer 2019

10 week internship program, working on a variety of graphic designs using Adobe Illustrator (textiles, newsletters, product graphics) and product design using Solidworks CAD software.

Video Editor, Animator & Interviewer

Psych for Life, Arizona State University
2018 - 2019

Collaborated on a creative project for ASU's psychology department to help guide students on their career path. Interviewed successful alumni on their career path. Edited and animated their interviews into fun, easy to watch videos using Adobe Premier Pro, Affer Effects and Illustator.

EXHIBITIONS
